

**CURRICULUM VITAE**  
**KADIYALA V. RAVINDRA, M.D.**

**TITLE:** Assistant Professor of Surgery, Division of Transplantation  
Liver, Kidney and Pancreas Transplant Surgeon

**ADDRESS:** Department of Surgery  
University of Louisville  
550 South Jackson Street  
Louisville, Kentucky 40202  
(502)587-4607, 583-8303

**FAX:** (502)587-4846

**NATIONALITY :** India

**DATE OF BIRTH:** July 18, 1964

**MEDICAL LICENSURE**

Iowa 2005-Present  
Nebraska  
Kentucky #39528

**EDUCATION**

1982-1988 M.D.  
Jawaharlal Institute of Medical Education and Research  
Pondicherry, India

1988-1992 RESIDENCY  
Jawaharlal Institute of Postgraduate Medical Education & Research  
Pondicherry, India  
General Surgery  
Sanjay-Gandhi Postgraduate Institute of Medical Sciences  
Lucknow, India  
Surgical Gastroenterology

2000-2003 FELLOWSHIP  
St. James' University Hospital  
Leeds, United Kingdom  
Clinical Fellow – Hepatobiliary Surgery

2003-2005 University of Nebraska Medical Center  
Omaha, Nebraska  
Transplant Fellow

### **ACADEMIC APPOINTMENTS**

1995	Lecturer of Surgical Oncology, Kidwai Institute of Oncology, Bangalore, India
1995-1996	Assistant Professor of Gastrointestinal Surgery, Sri Venkateswara Institute of Medical Sciences, Tirupati, India
1996-2000	Assistant Professor of Surgery, St. John's Medical College, Bangalore, India
2005-Present	Assistant Professor of Surgery, Division of Transplant Surgery, Department of Surgery, University of Louisville, Louisville, Kentucky
8/2006 1/2007	Interim Director, Transplant Center, Jewish Hospital, Louisville, Kentucky
2007-Present	Director, Living Donor Transplant Program, Jewish Hospital, Louisville, Kentucky
2007-Present	Director, Pancreas Transplant Program, Jewish Hospital, Louisville, Kentucky

### **PROFESSIONAL SOCIETIES**

American Association of Transplant Surgeons (Member)  
American Association of Transplant Surgeons (Candidate)  
American Transplant Society  
Indian Society of Gastroenterology  
Indian Association of Surgical Gastroenterology  
Indian Association for Study of Liver

### **AWARDS & HONORS**

Award:	"Travel grant for young surgeons" by the Japan Surgical Society, April 1995
Award:	"The BJ Vakil Young Investigator Awards" by the Indian Association for Study of Liver. April 1999.
Scholarship:	Selected for the award of the Dr. PN Berry Educational Scholarship 2000 for study in the UK.
Young Investigator Award:	Presented at the American Transplant Congress (Boston, MA) At the Fifth joint annual meeting of the American Society of Transplant Surgeons and American Society of Transplantation,

May 2004.

## PUBLICATONS

### JOURNALS

1. Kacker L, **Ravindra KV**, Sikora SS, Saxena R, Kapoor VK, Kaushik SP: Transcholedochal Cholecystolithotomy for a variant of Mirizzi's Syndrome. *Tropical Gastroenterology*, 15:105-109, 1994.
2. **Ravindra KV**, Sikora SS, Kumar A, Kapoor VK, Saxena R, Kaushik SP: Colonic necrosis- An adverse prognostic factor in pancreatic necrosis. *British Journal of Surgery*, 82:109-110, 1995.

#### **PRESENTATIONS**

1. "Benign surgical Jaundice – An institutional experience". *National Conference of Indian Association of Surgical Gastroenterology (IASG)*, Meerut, September 1992.
2. "Segment III Bypass in carcinoma Gallbladder". Annual conference of *Indian society of Gastroenterology*, New Delhi, November 1992.
3. "An appraisal of choledochoduodenostomy in the management of CBD stone". Annual conference of UP state chapter of *Indian Society of Gastroenterology*, Allahabad, February 1993.
4. "Infected pancreatic necrosis". Annual conference of *Association of Surgeons of India*, Madras, December 1993.
5. "Post-cholecystectomy biliary stricture – An institutional experience". Mid term conference of *Indian Association of Surgical Gastroenterology*, Lucknow, September 1994.
6. "Management of biliary strictures with hilar separation". Annual conference of *Association of Surgeons of India*, Cuttack, December 1994.
7. "Antibiotic prophylaxis for cholecystectomy – A randomized study". Annual conference of *Association of surgeons of India*, Cuttack, December 1994.

8. "Morbidity and mortality of bilio-enteric anastomosis – Analysis of risk factors". Annual conference of the *Japanese Surgical Society*, Nagoya, Japan, April 1995.
9. "Liver resection for haemangioma – Our institutional experience". Annual conference of the *Indian Association of Surgical Gastroenterology*, Madurai, September 1997.
10. "Carcinoma of the gallbladder – Our recent experience". Presented at the annual conference of the *Association of Surgeons of India*, Bangalore, December 1997.
11. "Our recent experience with surgery in carcinoma of the gallbladder". Presented at the annual conference of the *Karnataka State Chapter of the ASI*, Mangalore, March 1998.
12. "Anatomical study of the vasculobiliary elements of the liver in the Indian population". Presented at the annual conference of the *Indian society of Gastroenterology*, June, October 1998.
13. "Management of benign surgical jaundice". Guest lecture at GI update, Tirupati, February 1999.
14. "Anatomical variations of the vasculobiliary elements in the Indian population". Awarded **BJ Vakil Young Investigators Award** at the *Indian Association for Study of Liver Conference*, Hyderabad, April 1999.
15. "Living related liver transplantation – A beginning at our centre". At the *IASG Conference*, Pondicherry, September 1999.
16. **Ravindra KV**, ahmed N, Menon K, Attia M, Prasad KR, Toogood GJ, Lodge JPA: Experience with left trisegmentectomy in 30 patients with extensive hepatic malignancy. *Association of Surgeons of Great Britain and Ireland*, Birmingham, England, May 2001.
17. Prasad KR, **Ravindra KV**, Menon K, Dasgupta D, Fenwick S. Toogood GJ, Pollard SG, Lodge JPA, Stringer MD: Split liver transplantation (SLT) – Is it safe in a small volume center? 5<sup>th</sup> World congress of the *International Hepato – Pancreato – Biliary Association*, Tokyo, Japan, April 2002.
18. **Ravindra KV**, Davison SM, McClean P, Ramsden W, Woodley H, Stringer MD: The role of pre-operative vascular imaging in pediatric liver transplantation. Second congress of the *International Pediatric Transplant Association*, Rio De Janeiro, Brazil, April 2003.
19. **Ravindra KV**, Freifeld GF, Kalil AC, Mercer DF, Grant WJ, Botha JF, Wrenshall LE, Stevens RD: West Nile encephalitis in recipients of organ transplants. Presented at the *American Transplant Congress*, at the Fifth joint annual meeting of the American Society of Transplant Surgeons and American Society of Transplantation, Boston, MA, May 2004.

20. Ildstad ST, Rahhal D, Kaufman CL, **Ravindra KV**, Buell J, Breidenbach WC. Foxp3<sup>+</sup>/CD4<sup>+</sup>/CD25<sup>+</sup> regulatory T cell (T reg) infiltrated in human hand allografts are associated with graft acceptance but do not prevent rejection. *7<sup>th</sup> International CTA Meeting*, Innsbruck, Austria, September 7-8, 2007.
21. Kaufman CL, Gonzales RN, **Ravindra KV**, Buell J, Hodges A, Newsome L, Blair B, Breidenbach WC. The role of skin biopsies in diagnosing clinical rejection in hand CTA. *7<sup>th</sup> International CTA Meeting*, Innsbruck, Austria, September 7-8, 2007.
22. Kaufman CL, **Ravindra KV**, Buell JF, Marvin M, Blair BW, Murphy EE, Breidenbach WC. Impact of long term use of tacrolimus on renal function in hand transplant recipients. *7<sup>th</sup> International CTA Meeting*, Innsbruck, Austria, September 7-8, 2007.
23. **Ravindra KV**, Buell JF, Kaufman C, Blair B, Marvin M, Breidenbach W. Steroid avoidance in hand transplantation: Progress towards minimization of immunosuppression in composite tissue allotransplantation (CTA). *American Society for Reconstructive Microsurgery*, Los Angeles, California, January 14, 2008.
24. Marvin M, Thomas M, Nagubandi R, **Ravindra K**, Racenet D, Shah S, Marczyk S, Buell JF. Critical differences in engineering designs of Endoscopic staplers for laparoscopic solid organ surgery. *2008 Academic Surgical Congress*, Huntington Beach, California, February 13-15, 2008.

#### **INVITED LECTURES**

1. "Current status in portal hypertension". Grand Rounds Presentation, University of Louisville Department of Surgery, Louisville, Kentucky, January 2006.
2. "Living donor kidney transplantation". some Basic Nuts & Bolts of Renal Transplantation Conference, Transplant Center, Jewish Hospital, Louisville, Kentucky, September 2006.
3. "Portal hypertension – Current status of management". Grand rounds Presentation, Ireland Army Hospital, Fort Know, Kentucky, April 2007.
4. "Portal hypertension – An update". Grand round Presentation, Department of Gastroenterology, University of Louisville, Louisville, Kentucky, May 2007.
5. "Basics of transplantation". Lecture to Senior Honors students, Department of Surgery, University of Louisville, Louisville, Kentucky, June 2007.
6. "Introduction to transplantation". Lecture to governor's Scholar students, Jewish Hospital, Louisville, Kentucky, July 2007.
7. "Immunological barriers to transplant". renal Transplant Conference for Dialysis Center Staff and Nephrologists Conference, Transplant Center, Jewish Hospital, Louisville, Kentucky, September 2007.

8. "Managing complications in laparoscopic HPB surgery". Advances in Laparoscopic Hepato Pancreato Biliary Surgery Course, Jewish Hospital and University of Louisville, Louisville, Kentucky, September 2007.
9. "Nursing issues in pancreas/kidney transplantation patients". April 2008.

## **RESEARCH**

### **NON-FUNDED**

1. "Induction of donor specific tolerance in recipients of kidney allografts by donor bone marrow cell infusion". Principal Investigator.
2. Induction of donor specific tolerance in recipients of kidney allografts by donor bone marrow cell infusion". Principal Investigator.
3. "Induction of donor specific tolerance in recipients of kidney allografts by donor bone marrow cell infusion". Northwestern University – Medical Monitor

### **FUNDED**

1. W81XWH-07-1-0185, Department of Defense, Office of Army Research "Translational research program in composite tissue allotransplantation. S. Ildstad – PI, 07/01/07-06/30/09, 2% effort, \$674,266DC Yr. 1.
2. American Society of Transplant Surgeons, "Regulatory T cells in hand transplantation, K.V. Ravindra – PI, 07/01/08-06/30/10, 10% effort, \$45,620DC/yr.
3. Regenerex, LLC/NIH (STTR), "Induction of donor tolerance in renal transplants (Phase II), S. Ildstad – PI, 12/1/08-11/30/10, 5% effort, \$265,710DC/yr.
